Prof. Sudhir U. Meshram is the Vice-Chancellor of North Maharashtra University, Jalgaon. He has obtained his Ph.D. Degree in Microbiology from IARI, New Delhi and did Post Doctorate from Holland. He has established Rajiv Gandhi Biotechnology Centre in RTMU, Nagpur. He is associated with a number of bodies as a Advisor and Expert. He has organized several National and International Conferences successfully.

The University offers various innovative academic programmes in the faculties of Science, Art, Engineering and Technology, Commerce and Management, Humanities and Social Sciences ensuring bright career prospects and opportunities in the academics and industries. It is a matter of pride that 13 Schools in the university campus have established themselves as centers of academic excellence over the years which offers various Graduate, Post Graduate, M.Phil. and Doctoral (Ph.D.) programmes. The Schools are well equipped with modern laboratories. Most of the courses are industry oriented and students are getting jobs in appropriate fields.

The University campus is spread over 650 acres of land on a hilly terrain, 11 km away from the city of Jalgaon and on the western bank of the river Girna. Three districts viz. Jalgaon, Dhule and Nandurbar fall under the jurisdiction of the University. The region has its own rich cultural and tribal heritage. While developing the site, the University has taken utmost care to preserve natural fabric of hilly terrain. Beautifully designed spacious buildings have been constructed to serve academic, administrative and residential purposes. More than two lakh trees have been planted to conserve the natural beauty and environment of the campus, for which the university was selected for the **“Vanashree Award - 2000”** by Government of Maharashtra and **“Indira Priyadarshini Vriksha Mitra (IPVM) Award - 2002”** by the Ministry of Environment and Forests, Govt. of India, New Delhi. The University has also initiated an ambitious programme **“Lab - to - Land”** targeting small and marginal farmers group who will be provided biotechnologically developed knowhow, training, consultancy and quantity inputs for improving productivity and yield in their land.
