

**Profile of**  
**Dr. SHINDE RAMKRISHNA LAHU**  
(Updated on July 22, 2016)

**PERSONAL INFORMATION**

**Name:** Ramkrishna Lahu Shinde

**Gender:** Male.      **Nationality:** Indian.      **Caste:** Hindu-Maratha (OBC)

**Present Position:**

Professor and Head, Department of Statistics,  
Head, Department of Actuarial Science and  
Director, School of Mathematical Sciences,  
North Maharashtra University, Jalgaon. PIN: 425 001, India.

**Phone Numbers:** (Office): (+)91-257-2257467, (Residential): (+)91-257-2258463  
Cell: (+)91-9420943752.

**E-mail ID:** *rlshinde@nmu.ac.in*    and    *shinde.stat@gmail.com*

**Date of Birth:** August 19, 1969.

**Marital Status:** Married with Sujata on 27.12.1994. (M.Phil.(Physics), Lecturer in Physics ) and have one daughter-Madhuja doing M.Sc.(Statistics).

**Native Place:** At: Borgaon, Post: Marwad, Tal.: Amalner, Dist.: Jalgaon,  
PIN: 425 402. (Maharashtra State, India).

**ACADEMIC INFORMATION**

**Degrees Obtained (All in India):**

Ph.D. (Statistics): 2001, Sardar Patel University, Vallabh-Vidyanagar, Anand

M.Phil.(Statistics): 1994, University of Pune

M.Sc. (Statistics): 1992, University of Pune

B.Sc. (Statistics): 1990, University of Pune

**NET Qualification and Research Fellowship:**

Qualified in National Eligibility Test for lectureship in Statistics in December 1991. Test was conducted jointly by Council of Scientific and Industrial Research (CSIR) and University Grants Commission (UGC), New Delhi. Junior Research Fellowship was also awarded by CSIR.

**Teaching Experience:** 23 Years.

**Headship Experience:** 19 Years.

**School of Mathematical Sciences Directorship Experience:** 5 Years.

### Visiting Fellow/Speaker/Professor:

1. Department of Statistics, University of Pune as a **Visiting Fellow** under the UGC's Centre for Advance Studies scheme during June 15-30, 2005.
2. Department of Statistics, Sardar Patel University, Vallabh-Vidyanagar, Anand during Feb 25-28, 2010. **(Visiting Teacher)**
3. Department of Mathematics and Statistics, University of Calgary, Canada during July-August, 2010, May-June 2011 and May-June 2012 **(Visiting Professor)**.
4. Department of Mathematics, University of Colombo, Sri Lanka in March 2014 **(Invited Speaker** in the International Conference and Resource person in the workshop on Insurance and Actuarial Science)
5. **Invited Speaker** in the session on "Actuarial Science" and **Chair** of a session on Statistics in the 102<sup>nd</sup> Indian Science Congress held at University of Mumbai during Jan 3-7, 2015.
6. **Invited Speaker** for the International/National Conferences at ISI Delhi, Savitribai Phule Pune University, BHU Varanasi, Punjab University Chandigarh, Central Uni. of Rajasthan, Dr. BAMU Aurangabad, SP University Anand, Gauhati University and VN South Gujarat University.

### EMPLOYMENT

Institution	Position held	Nature of Appointment	Subject	Period of Appointment
University of Pune, India	Tutor	By virtue of Junior Research Fellow (CSIR)	Statistics	Aug. 1992 - Sept.1993
North Maharashtra University, Jalgaon, India	Lecturer	Permanent	Statistics	Sept. 25, 1993 - Nov. 4, 1999
	Reader	Permanent	Statistics	Nov. 5, 1999 - Dec. 31, 2005
	Associate Professor	Permanent	Statistics	Jan. 1, 2006 - Nov. 30, 2007
	Professor (Under Career Advancement Scheme of UGC)	Permanent	Statistics	Dec. 1, 2007- Present

**Courses Taught/Teaching for M.Sc.(Statistics / Comp. Science /Life Sciences)/MCA/ M. Library .& Information Science/PG Diploma in Actuarial Science(PGDAS), B.Sc.(Actuarial Science), M.Phil. and Ph.D.:**

1. Mathematical Methods
2. Sample Surveys and Statistics for National Development
3. Statistical Process Control & TQM
4. Reliability Theory
5. Theory of Probability
6. Parametric Inference
7. Asymptotic Inference
8. Stochastic Processes
9. Multivariate Analysis
10. Design and Analysis of Clinical Trials
11. Principles and Practices in Insurance
12. Theory of Interest
13. Financial Mathematics
14. Life Contingencies
15. Actuarial Statistics
16. Time Series Analysis
17. Practicals using Statistical Software Packages
18. Bio-Statistics for Life Sciences
19. Research Methodology and Statistics for Library Sciences
20. Research Methodology for M.Phil. (Science students)
21. Research Methodology for Ph.D.(Science/ Engineering/Pharmacy) students

**Guidance for PG level Projects:**

Guided about 65 projects of M.Sc.(Statistics), PG Diploma in Actuarial Science and M.Lib. & I.Sc. students for their projects based on Industrial/Banking/ Medical/ Health/ Library/Social problems.

**Some recent Projects Topics/Areas assigned to the M.Sc. students:**

1. Statistical Process Control and Capability analysis of Industrial (Manufacturing /Service) data.
2. Process Control and Capability analysis of pharmaceutical product data.
3. Analysis of Bioequivalence and Bioavailability Study of Drug.
4. Statistical analysis of Health related data sets.
5. Statistical analysis of survey data on lifestyle, diets and some risk factors related to heart diseases.
6. Statistical Survey and Analysis of some causes and preventive measures of Anemia during pregnancy.
7. Computer programs for Statistical Theory.

8. Library books users' study.
9. Probability Distributions through Physical tools.
10. Rainfall based insurance (Case Study).
11. Insurance against child mortality.
12. Statistical analysis (Case Study) of delay in supply related data.
13. Computer programs related to Markov chains and counting of runs and patterns in DNA sequences.
14. Study of Unit Linked Insurance Plans.
15. Multivariate data analysis related to production process of Elbow, TEE and Polyethylene pipe.
16. A Study of Life time distribution and sex ratio based on births and deaths recorded by Jalgaon Municipal Corporation.
17. Construction of life tables calculations of life insurance premiums based on mortality data collected from Jalgaon Municipal Corporation and.
18. Solutions to the problems appeared in NET and SET question papers.
19. Statistical Survey on Mobile Uses.
20. Energy Statistics of Maharashtra.
21. Survey of Senior Citizens about their Practices, Life Style and Problems.
22. A Statistical Study of Blood Pressure and related issues for Employees and students of North Maharashtra University.
23. Problem Solving in Statistical Process Control.
24. Process Capability Analysis for Some Quality Parameters of Irrigation Tube in Inline Plant.
25. Higher Education Enrollment Statistics: Based on All India Survey on Higher Education.
26. Process Capability Analysis for Some Quality Parameters of Brake System.
27. Investment in Mutual Funds
28. Statistical Analysis of Passenger Traffic Data of Indian International Airports.
29. Analysis of Sales Data of Furniture Products at Jalaram Steel Furniture, Surat.
30. Process Capability Analysis of PVC Sheet Production Process.
31. Statistical Study on Crankshaft Production Process.

**Extensive use of computers in teaching and projects:**

**(Following topics were demonstrated more effectively)**

1. Probability Distributions and their approximations.
2. Chebychev's Rule.
3. Sampling Distributions, CLT, WLLN.
4. Sampling Error, biased and unbiased estimators.
5. SRSWR in birthdates coincide problem.
6. Income Distribution and income inequality.

7. Periodically population variance may be same under many situations but population mean changes at larger scale.
8. Sample size and power analysis.
9. Concept of Confidence interval.
10. Likelihood function plotting and locating MLE.
11. P-value and type-I error probability and their relation.
12. Simulation of Markov chain, Poisson process, renewal process.
13. Simulation of  $X(t)$  under queuing systems.
14. Probability Distributions of quality characteristics.
15. Concept of establishing control on process mean is easier than process variability (based on industrial data) and hence reduction of variability is called quality improvement.
16. OC curves for Control Charts and Acceptance Sampling Plans
17. Estimating value of  $\pi$  using simulations.
18. Role of Least count in SPC.
19. Future financial requirements and investment plans for common man.
20. Applications of Life Tables in Inventory management.
21. Parameters useful for estimation of Utility function.
22. Statistical thinking and TQM in administration.
23. Applications of Graphical Tools of SPC in Service industries and day to day real life.
24. Process Capability Analysis for non-normally distributed quality characteristics.

#### **Contribution for Curriculum Development:**

1. Worked for framing syllabus of B.Sc.(Statistics).
2. Played major role in the development and implementation of revised syllabi (w.e.f. **July 2002, July 2007, July 2012 and July 2015**) of M.Sc.(Statistics) with specialization in Industrial Statistics. We introduced new topics like C++, some part of Economics, TQM, Technical Communications, Design and Analysis of Clinical Trials, Financial Mathematics, Actuarial Statistics and **Project carrying weightage of 100 marks**. More focus was also given on computational work.
3. Framed the syllabi of **M.Phil.(Statistics)** in 2006.
4. Worked as a Member of Syllabus revision and Examination structure development committee of Maharashtra Public Service Commission (**MPSC**) for the subject Statistics.
5. Worked as a resource person for development of syllabus of **M.Sc.Statistics (Actuarial) at Central University of Rajasthan, Jaipur** during March 19-20, 2010 and in Feb 2013.
6. Worked as Peer review committee member of syllabus of M.Sc.(Statistics) of Pune University in 2013.
7. Department of Statistics has started PG Diploma in Actuarial Science (**PGDAS**) w.e.f. 2007-2008 and Three-year **B.Sc.(Actuarial Science)** w.e.f. 2010-11. Responsibility of framing the Syllabi for these courses was carried out

successfully by me with the help of other teachers and Universities' Professors and Dr. J.K. Wani, Professor Emeritus of Statistics and Actuarial Science and other faculty members from Calgary University, Canada.

8. Worked as a member of committee for framing the syllabus for **Ph.D. Entrance Test for Paper-I for all subjects.**
9. Framed the syllabus for Ph.D. Entrance Test for Paper-II of **Ph.D.(Statistics) Entrance Test.**
10. Framed the syllabus for **Paper-I: Research Methodology for all faculties** for the course work of Ph.D. (all subjects).
11. Introduced two courses for M.Sc.(Mathematics) with specialization in Computational Mathematics which is being run by School of Mathematical Sciences and Framed the syllabus for these two courses: **Financial Mathematics and Actuarial Mathematics.** These courses will improve employability of our students of M.Sc.(Mathematics) other than teaching sector.
12. Chaired the Committee for **Choice Based Credit System (CBCS)** for University Campus courses. Established a proper system with eleven elective courses in the campus. Many students of different Academic Schools/Departments of N.M.U. are taking these courses. As per need of interdisciplinary knowledge, syllabi of eleven courses were framed. This system implemented w.e.f. 2015-16.
13. As a one person Committee, developed **7-Point Scale System** degree awarding system for N.M.U. which is implemented w.e.f. 2013-14.
14. Guided the BOS Section and Examination Section of N.M.U. as and when needed in regard with Credit System, CGPA calculations and matters related to result declarations.

#### **Administrative Experience:**

#### **Worked/ working under different capacities as mentioned below:**

1. In-charge Head, Department of Statistics, North Maharashtra University (N.M.U.), Jalgaon. (Jan. 1997- Jan. 2002).
2. Head, Department of Statistics, N.M.U., Jalgaon. (Jan. 2002-Present).
3. Head, Department of Actuarial Science, N.M.U., Jalgaon. (2012-Present)
4. Director, School of Mathematical Sciences, North Maharashtra University, Jalgaon (2011-Present).
5. Member and Chairman of Board of Studies in Statistics N.M.U., Jalgaon.
6. Member of RRC, BUTR, Faculty (Science) and Academic Council of N.M.U., Jalgaon.
7. Member of Board of Examination, N.M.U., Jalgaon,
8. Member of Purchase Committee and different committees related to Evaluation of purchased items and process followed at N.M.U., Jalgaon..
9. Member of Board of Studies in Statistics of Dr. BAMU Aurangabad.

10. Member of Board of Studies in Statistics and Computer Management, University of Pune.
11. Subject expert for interviews at Colleges/University.
12. Chairman/Member of Local Inquiry Committees(LIC) at different colleges.
13. Member of the University's Central Admission Committee.
14. Member of Scrutiny Committee for the selection of "Colleges with Potential and Excellence".
15. Member/Chairman/Convener of organizing committees of workshop, seminars and conferences organized by Department/University.
16. Member of the Management Committee of Kendriya Vidyalaya, N.M.U., Jalgaon.
17. Member of Committee of Day Care Centre, N.M.U., Jalgaon.
18. Member of Search committee under examination related unfair.
19. Director of Central Assessment Programme (CAP) at N.M.U., Jalgaon.
20. Member of committee for CAP rules and remunerations of N.M.U., Jalgaon.
21. Member of committee for remunerations for Examinations of N.M.U., Jalgaon.
22. Member of committee for evaluation of functioning of central library of University.
23. Member of the committee for distribution of financial help for poor students from colleges and University Departments of N.M.U., Jalgaon.
24. Chairman of committees for physical verification of indoor game facilities, Girl's hostel and other buildings constructed under UGC's grants.
25. Judge for evaluating Avishkar Research competition activities at NMU. Jalgaon and State-level activity at Shivaji University, Kolhapur (January, 2012).
26. Member of evaluation committee for departmental performance of Department of Statistics, Shivaji University, Kolhapur (September 8, 2012).
27. Coordinator, North Maharashtra University Campus level research competition "Avishkar 2013" (Oct 5, 2013)
28. Coordinator, NMU Campus level Avishkar-2013 and Chairman of sub-committee for State level Avishkar-2013 competition activities.
29. Hon'ble Vice-Chancellor's Nominee for conducting interviews of college Principals and Teachers.
30. Hon'ble Chancellor's Nominee for conducting interviews of Engineering College Teachers.
31. One man committee member for development of 7-point CGPA system for NMU, Jalgaon.
32. Chairman, University level Research Convention "Avishkar-2014" and guided team selected for state level Avishkar event. North Maharashtra University's team secured second positions among Universities in Maharashtra state.
33. Chairman of committee for development of model of "Choice Based Credit System" for University Campus.
34. Member for SET for Maharashtra and Goa.

### **Extension Activities (As a Teacher, Researcher and Head/Director):**

1. Taught courses for other academic Departments of North Maharashtra University and provided analytical services to the research students and teachers from other departments.
2. Arranged placement activities for students at School of Mathematical Sciences.
3. Arranged interviews of needy students for sponsorship through Cytel, Software Company.
4. Established a new course on Actuarial Science in the School of Mathematical Sciences. The course is running well and students are getting attracted towards this course.
5. Review of research papers of International journals.
6. Examiner of Ph.D. thesis as a referee.
7. Guidance and lectures regarding preparation for NET/SET examination.
8. Guidance for placement of students.
9. Arranged vacation training programs (Summer School/Camp/workshop) for college students for popularization of subjects: Statistics and Actuarial Science.
10. Activities organized for industry personnel, college teachers and students.
11. Tree plantation in the University campus.
12. Personal level financial support to poor/needy students and contributory Lecturers.
13. Organization of State and National level Conferences/Workshops.
14. Organization of one day Trip, Sports and Cultural Activities for students.
15. Submitted proposal of new building for School of Mathematical Sciences and got the proposal sanctioned from UGC. Building is ready with good infrastructure facilities. Hence we could increased admission quota for M.Sc.(Statistics), M.Sc.(Mathematics).

### Academic Events organized (as Head/Director/Chairman) for industry/Teachers/Students

Sr. No.	Name of the Program	Date(s)	Participants
1.	Lecture Series on "Research in Statistics"	27.03.1998	College Teachers and Industrial Practitioners.
2.	Workshop on Statistical Problems in Industries	29.11.1998 and 24.10.1999	College Teachers, Industrial Practitioners, T.Y.B.Sc. and M.Sc. Students.
3.	Annual meeting of Statistics Teachers' Association	29.04.2001	College and University Teachers of Statistics.
4.	Workshop on T.Y.B.Sc. Syllabi framing.	22-03-2004	College Teachers.
5.	Summer School on " <i>Computational Statistics</i> "	01-06-2004 to 05-06-2004	S.Y.B.Sc. and T.Y.B.Sc.(Statistics) students.
6.	Summer Camp for students	02-06-2005 to 08-06-2005	F.Y.B.Sc, S.Y.B.Sc. and T.Y.B.Sc. (Statistics) students.
7.	Statistics Quiz	17-02-2006	F.Y.B.Sc., S.Y.B.Sc., T.Y.B.Sc. (Statistics) and M.Sc. students.
8.	Popular Lectures on "Statistical Ecology and Statistics"	17-02-2006	College and University Teachers, B.Sc. and M.Sc. Students. (National Science Day celebration)
9.	Summer School on " <i>Actuarial Statistics</i> "	05-06-2006 to 07-06-2006	S.Y.B.Sc. and T.Y.B.Sc.(Statistics) students.
10.	Poster and LCD presentation competition based on Data Representation and Analysis of data related to the field of Agriculture Science	24-02-2007	B.Sc. and M.Sc.(Statistics) students (National Science Day celebration)
11.	Popular lectures on 'Statistics in Crop-Weather relationship' with the theme 'More Crop per Drop'	24-02-2007	B.Sc., M.Sc. students, Research students and College and University Teachers. (National Science Day celebration)
12.	Workshop on "Career opportunities in Statistics and Related Areas" for 12 <sup>th</sup> standard students	22.05.2007	12 <sup>th</sup> standard students, B.Sc. students and College Teachers
13.	Workshop on "Industrial Statistics and Career as a statistician in Industries	12.01.2008 to 14.01.2008	B.Sc., M.Sc. students, Research students and College and University Teachers.
14.	One-Day Meeting of Alumni of Department of Statistics	23-02-2008	Alumni of Department of Statistics, N.M.U., Jalgaon
15.	Poster and Power-Point presentation competition of students based on "Statistics of Earth"	25-02-2008	B.Sc. and M.Sc. students (National Science Day-2008 celebration)
16.	Popular lectures on 'Statistical Aspects of Planet Earth"	25-02-2008	B.Sc., M.Sc. students, Research students and College and University Teachers (National Science Day-2008 celebration)
17.	Popular lectures on 'Statistical Aspects of Planet Earth"	25-02-2008	B.Sc., M.Sc. students, Research students and College and University Teachers (NSD celebration)

Sr. No.	Name of the Program	Date(s)	Participants
18.	Workshop on "Statistical Computing using R-Software"	29.06.2009 to 01.07.2009	B.Sc., M.Sc. students, Research students and College and University Teachers.
19.	<b>National Conference</b> on "Industrial Statistics and Computational Mathematics"	21.01.2010 to 23.01.2010	Researchers and College and University Teachers, M.Sc. students,
20.	One Day Workshop on "Statistical and Economical Aspects on Gender Inequality, Sex Ratio and Related Socioeconomic Issues"	08.03.2010	S.Y./ T.Y. B.Sc., M.A.(Economics), M.Sc. (Statistics) students.
21.	A five day Workshop on 'Training of SAS software' was conducted by Ultramax Solutions, Pune.	10.05.2010 to 14.05.2010	M.Sc. students and University Teachers.
22.	<b>National Workshop</b> on "Official Statistics in National Development".	17.01.2011 to 19.01.2011	B.Sc., M.Sc. students from Colleges and Universities in India.
23.	<b>National Conference</b> on "Mathematical Sciences"	March 5, 2012	Research scholars, College and University Teachers, M.Sc. students
24.	One Day Workshop on "Energy Statistics, Clean Energy Options and Safety Issues"	March 13, 2012	B.Sc., M.Sc. students from Colleges, University and College and University Teachers.
25.	One-Day Workshop for College teachers in Statistics on "Statistical Practicals using Software for F.Y.B.Sc."	Feb. 10, 2013	College Teachers.
26.	<b>National Conference</b> on "Current Practices in Mathematics, Statistics and Actuarial Science"	March 7-8, 2013.	Research scholars, College and University Teachers, M.Sc. students
27.	NMU Campus level Avishkar Event	05.10.2013	Research scholars, College and University Teachers/students
28.	<b>State level workshop</b> for college teachers in statistics on "Introduction of Statistical Software" and "Modifications Required in the Syllabus of B.Sc. (Statistics)"	January 10-11, 2014	College Teachers teaching for B.Sc.(Statistics) under different colleges in Maharashtra
29.	<b>National Conference</b> on "Applied Statistics and Related Working Practices"	January 30-31, 2014	B.Sc., M.Sc. students, Research students and College and University Teachers
30.	<b>National Workshop</b> on "Statistics for Experimental Researchers"	February 14-15, 2014	Research Scholars from Science Faculty
31.	<b>National Conference</b> on "Algebra, Analysis and Fuzzy Mathematics"	February 21-22, 2014	Research scholars, College and University Teachers, M.Sc. students
32.	Celebration of <b>National Mathematics Day</b> -2013	March 15, 18-19 & 24, 2014	B.Sc., M.Sc. students, Teachers from Colleges and University
33.	One-Day Workshop for College teachers in Statistics on "Financial Mathematics"	31.08.2014	College Teachers
34.	University level Avishkar Event	17.10.2014-18.10.2014	Research scholars, College and University Teachers/students
35.	Training programs of team selected for State Level Avishkar Event	Dec 2014 & Jan 2015	48 candidates selected for State Level Avishkar Event
36.	<b>National Statistics Day</b> Celebration	29.06.2015	B.Sc.(Statistics) and M.Sc.(Statistics) students and teachers
37.	<b>2nd National Conference</b> on "Algebra, Analysis and Fuzzy Mathematics"	January 29-30, 2016	Research scholars, College and University Teachers, M.Sc. students
38.	<b>National Science Day</b> Celebration	15.03.2016	UG and PG students from University Campus

### Invited Speaker/Guest at Colleges/University/Conferences/Workshop:

1. Delivered popular lectures for B.Sc. students and resource person at colleges.
2. Invited Speaker in the **International Conference on "Reliability and Survival Analysis"** held at **Indian Statistical Institute, Delhi** during December 20-22, 2005.
3. Presented invited paper in the **National conference on "Statistical Inference"** held at **University of Pune** during January 8-10, 2006.
4. Presented invited paper in the **National conference on "Biostatistics and Industrial Statistics"** held at University of Pune during August 4-6, 2007
5. Presented invited paper in the **National conference on "Statistical Inference and Inferential aspects in Industrial Statistics"** held at **University of Pune** during December 16-18, 2008.
6. Delivered invited talks on **"TQM and Statistical Tools for Engineers"** and **"Interview Skills"** at Suresh Dada Engineering College, Jalgaon on March 9, 2009.
7. Served as the chief guest and delivered invited talk on **"ISO Certification"** in the National level Seminar on "Recent Developments in SQC" held at **K.B.P. College, Pandharpur** during October 5-6, 2009.
8. Invited as a resource person by K.T.H.M. College, Nashik to serve as an expert for the courses on **Actuarial Science and SPC** in the workshop for syllabus revision of T.Y.B.Sc.(Statistics) under the **University of Pune** held during November 17-19, 2009.
9. Delivered invited talks on **"TQM and Statistical Tools for Engineers"** in the workshop held at S.G.B. Engineering College, Bhusawal on 21.04.2010.
10. Delivered invited talk on **"Actuarial Science and Related Research Areas"** and a specific presentation on "Life Tables and Cost of Insurance in India and China: A Comparative Study" in the national seminar on "New Dimensions in Statistics: Concepts and issues" held at **Banaras Hindu University, Varanasi** during March 2-4, 2012.
11. Delivered invited talk on **"Data and Data Analysis reporting in a Thesis"** in one day workshop on "Project, Thesis and Paper Writing in Chemistry" held at **School of Chemical Sciences, NMU, Jalgaon** on March 9, 2012.
12. Delivered guest lecture on **"Financial Mathematics"** at Shivaji University, Kolhapur on September 7, 2012.
13. Delivered series of talks on **"Research Methodology"** for Ph.D. students of Science, Engineering and Pharmacy faculty at NMU, Jalgaon (September 2012, 2013).
14. Delivered guest lecture on "Research in Actuarial Science" at **Central University of Rajasthan** on November 29, 2012.
15. Delivered invited talk on **"Actuarial Science and its applications in crop Insurance"** at **International conference held at Punjab University, Chandigarh** during December 15-17, 2012.
16. Delivered invited talks on **"Sampling and Statistical Methods for Research in Library and Information Science"** in the Workshop for Librarians held at Central Library, NMU during Feb. 4-9, 2013.
17. Delivered invited talk on **"Weather Based Crop Insurance Scheme: Case studies for Banana and Grapes"** in the National Conference on "Recent Advances in Statistics with Application in Finance and Actuarial Science" held at Central University of Rajasthan during Feb 22-23., 2013.

18. Delivered invited talk on **"Weather Based Crop Insurance"** in the State level Conference on "Applications of Statistics In Various Domains of Science" held at S. P. College, Pune during October 25-26, 2013.
19. **Invited talk** on "Human Mortality Pattern in India and China and Total Cost of Life Insurance for Whole Population and Subpopulations" and **chaired one session** in the **International Conference** on "Role of Statistics in the Advancement of Science and Technology" organized by Department of Statistics and Centre for Advanced Studies, University of Pune, Pune during December 16-18, 2013.
20. **Invited talk** on "Nationwide Health Surveys in India: An Overview and a specific presentation on Diabetics are at Higher Risk of Asthma in India: Evidence from National Family Health Survey-3" and **chaired two sessions** in the **International Conference** on 'Recent advances in Statistics and their applications' in conjunction with XXXIII Annual Convention of Indian Society for Probability and Statistics(ISPS) organized by Department of Statistics, Dr. BAMU, Aurangabad during 26-28 December 2013.
21. Delivered **Expert lecture** on "Total Quality Management and Statistical Quality Control", in **Short Term Training Program** on "Mathematical and Statistical Approaches in Engineering Applications 2013" at Government College of Engineering, Jalgaon on December 30, 2013.
22. Delivered **inaugural speech** as the **Chief Guest for Quiz and Poster Competition** of B.Sc.(Statistics) students and also delivered **Guest Lecture** on "Financial Mathematics and Its Applications in Actuarial Science" at Z. B. Patil College Dhule on 04.02.2014.
23. Delivered two talks as a **local resource person in the National Workshop** on "Statistics for Experimental Researchers" held at Department of Statistics, N.M.U., Jalgaon during February 14-15, 2014.
24. Delivered a **Popular lecture** for motivating **High School students** on "Applications of Mathematics, Statistics and Actuarial Science" at Indira Gandhi Vidyalaya, Sakegaon as the part of parallel session conducted under National Conference on "Algebra, Analysis and Fuzzy Mathematics" organized by Department of Mathematics, North Maharashtra University, Jalgaon during February 21-22, 2014.
25. Delivered **Speech as a Chief Guest** at the occasion of inauguration of Science Exhibition of "Mathematical Models" on National Science Day 2014 celebration at Bhagirath English Medium School, Jalgaon on February 28, 2014.
26. **Invited talk** on "Choice Based Credit System" in the **National Conference** on "New Trends in Examination System" organized by Department of Education, North Maharashtra University, Jalgaon on March 04, 2014.
27. **Invited talk** on "Stochastic Mortality Modeling and Forecasting for Indian Population with Applications in Actuarial Science" in the **International Conference** on "Mathematical Modeling 2014" held at the Research and Development Center for Mathematical Modeling, Department of Mathematics, **University of Colombo**, Sri Lanka during March 13-14, 2014.
28. Delivered **two invited talks** as a Guest Speaker in the Workshop on "Insurance and Actuarial Science" held at the Research and Development Center for Mathematical Modeling, Department of Mathematics, **University of Colombo, Sri Lanka** on March 14, 2014.
29. Delivered **Guest lecture as resource person** on "Latest Trends in Mathematical Teaching through Projects in Mathematics and Statistics for School Students" for

- Primary School Teachers during In-Service Course at **Kendriya Vidyalaya**, North Maharashtra University, Jalgaon on May 29, 2014.
30. Delivered two **Expert lectures** on "Sampling Methods" and "Statistical Process Control" in the **Short Term Training Program** for Engineering Teachers at Government College of Engineering, Jalgaon on July 7, 2014.
  31. Delivered **Invited talk** on "Stochastic Mortality Models" and **chaired one session** in the national conference on "Recent Advances in Statistics" held at Savitribai Phule Pune University during January 2-3, 2015.
  32. Delivered **Invited talk on** "Weather Based Crop Insurance Schemes for Banana, Grapes and Orange in the Maharashtra state of India" and **chaired one session** in the 102nd Session of the **Indian Science Congress** held at University of Mumbai during January 3-7, 2015.
  33. Delivered **Invited talk on** "Stochastic Mortality Modeling and Forecasting for Indian Population with Applications in Actuarial Science" and **chaired one session** in the **International Conference**, "International Conference on Frontiers in Mathematics" held at Gauhati University, Guwahati, Assam during March 26-28, 2015.
  34. Delivered **Invited talk on** "Banana Crop Insurance" in the International Statistical Institute's Outreach Committee Organized Three Day **International Workshop** on "Statistics and Society" held at Sardar Patel University, Anand, Gujarat during April 4-6, 2015.
  35. Delivered **Invited talk on** "**Statistical Data Analysis Through MINITAB and Reporting of results**" in seven days **National Workshop** on "Faculty Improvement for Research in Science and Technology-2015 (FIRST-2015)" held at North Maharashtra University, Jalgaon during June 18-24, 2015.
  36. Delivered **talk on** "Quality Parameters/Aspect-wise Preparation of Presentation before NAAC Peer Team" in the **NAAC Awareness Workshop** under National Quality Renaissance Initiative (NQRI) organized by IQAC, North Maharashtra University, Jalgaon during March 23-24, 2015.
  37. Delivered **keynote address** on "**Research Methods and Sampling**" in the **National Workshop** on Research Methods and Applications of SPSS software in Research held at Shendurni on January 21, 2016.
  38. Delivered **Popular talk on** "**Statistics in Computer Science**" on the occasion of celebration of National Mathematics and Science Day at School of Computer Sciences, NMU on March 2, 2016.
  39. Delivered **invited talk on** "Social Security Life Insurance Scheme *Pradhan Mantri Jeevan Jyoti Bima Yojana* (PMJJBY): Actuarial insight based on Indian Mortality" in the **National Conference** on Applied Statistics held at Shivaji University, Kolhapur during March 11-12, 2016. Also **chaired one session** of invited speakers in this conference.
  40. Delivered **guest lectures** on "Basic Financial Mathematics and Its Applications" and "Career in Statistics" for M.Sc.(Statistics) students at Shivaji University, Kolhapur on March 12, 2016.
  41. Delivered **keynote address** on "**Role of Statistics in Current Scenario**" in the **National Seminar** held at Veer Narmad South Gujarat University, Surat on March 27, 2016. Also **chaired one session** of contributory papers in this National Seminar.
  42. Delivered **Invited talk on** "**Sampling Methods**" in the Workshop on Statistical Techniques for researchers held at M. J. College on April 26, 2016.

**Resource Person for Refresher/Orientation Courses and others:**

1. Resource person in the UGC sponsored Refresher Courses in held at N.M.U., Jalgaon in 1996, 1997, 2005.
2. Resource person for conducting Group Discussions at Orientation course for Teachers held at N.M.U., Jalgaon during March 2007.
3. Resource person for conducting Group Discussions and Personal Interviews of the candidates seeking admission to M.B.A. held at N.M.U., Jalgaon during 2006-2009.
4. Resource person in the UGC sponsored Refresher Course on "Mathematics and Statistics" in held at Dr. BAMU Aurangabad during September 2012.

**Refresher Courses/Workshops /Seminar (only attended):**

1. Refresher Course on "Analysis, Linear Algebra and its Applications", sponsored by UGC, held at N.M.U., Jalgaon during August 1996.
2. Workshop for Statistics' Teachers and practicing Statisticians held at Jain Group of industries, Jalgaon during April 19-20, 1997.
3. "UGC Refresher Course in Statistics at the PG Level" Conducted by ISI, Kolkata during February 2-26, 1999.
4. Workshop on FEEL(Facilitating Excellence in Effective Leadership) Principal held at N.M.U., Jalgaon during June 19-21,1999.
5. Workshop on "Activities for Promoting Statistics" held at Department of Statistics, University of Pune on September 2, 2006.
6. Workshop on "Digital Governance and Surveillance using Geoinformatics" held at M.J. College Jalgaon during September 24-26, 2006.
7. Workshop on "Multivariate Statistical Methods with Recently Emerging Applications" held at Indian Statistical institute, Kolkata during December 23-27, 2006.
8. Workshop on "Effective Functioning of IQAC" held at N.M.U., Jalgaon on February 10, 2007.
9. National Seminar on "Weather Insurance: Addressing Risk Mitigation Needs of Weather-Sensitive Industries in India" held at Administrative Staff College of India, Hyderabad during January 28-29, 2011.
10. One week training program on "Official Statistics" for University Heads at National Academy of Statistical Administration (NASA) during November 19-23, 2012.

**Life Membership of Professional Bodies / Association:**

1. Indian Association for Productivity, Quality and Reliability (IAPQR) (w.e.f. 1997).
2. Indian Society for Probability and Statistics (ISPS) (w.e.f. 1998).
3. Indian Statistical Association (ISA) (w.e.f. 2001).

## Research Experience and Related:

### Details of Research Degrees obtained:

#### (1) M.Phil.(1992-1994)

<b>University</b>	University of Poona (Now Savitribai Phule Pune University).
<b>Fellowship</b>	CSIR JRF (Full time during 1992-1993)
<b>Topic</b>	Geometric Infinite Divisibility.
<b>Name of the Guide</b>	Dr.(Mrs) S. R. Deshmukh , Professor, Department of Statistics, University of Pune.

#### (2) Ph.D.(1996-2000, Part time)

<b>University</b>	Sardar Patel University, Vallabh-Vidyanagar, Gujrat.
<b>Topic</b>	Estimation of Parameters and Reliability in some Failure Time Distributions.
<b>Name of the Guide</b>	Prof. A. Shanubhogue, Department of Statistics, Sardar Patel University, Vallabh-Vidyanagar, Gujrat.

### Research Project Completed:

<b>Title of the Project</b>	<b>Funding Agency</b>	<b>Duration</b>
A Study of some Random Sums	BCUD, NMU	1999-01

### Ongoing Research Project:

<b>Title of the Project</b>	<b>Funding Agency</b>	<b>Duration</b>
Study of Weather and Banana Crop Loss Relationship and Its Applications in Weather Based Crop Insurance for Jalgaon District	RGSTC, Govt. of Maharashtra	2015-17

### Thrust areas of research:

Statistical Process Control, Stochastic Mortality Modeling  
Life Insurance, Crop Insurance, Health Statistics, Reliability Theory,  
Distribution Theory of Runs, Scans & Patterns and their applications.

### Research Guidance to the Ph.D. Scholars (Degree Awarded):

<b>Sr. No.</b>	<b>Name of the Student</b>	<b>Year of Award</b>	<b>Topic of Research</b>
1	Ms. Kirtee S. Kotwal NET-JRF (Assistant Prof. NMU, Jalgaon)	Degree awarded in 2007	Distributions of Statistics based on Runs, Scans and Patterns in Sequences of Markov Dependent Trials.
2	Mr. Kailas G. Khadse Associate Professor, M.J. College, Jalgaon	Degree awarded in 2008	On Multivariate Process Capability Indices
3	Ms. Madhuri M. Mahale NET-JRF(Assistant Prof. University of Pune)	Degree awarded in 2009	Some Distributional and Estimation Problems Associated with Consecutive-k-out-of-n:F-Systems

### Research Guidance to the M.Phil. Scholars (Degree Awarded):

Sr. No.	Name of the Student	Year of Award	Topic of Dissertation
1	Mr. Jagdish C. Agrawal, Assistant Professor, Pratap College, Amalner	Degree awarded in 2009	Bivariate Poisson Distribution

### Achievements of the Ph.D. Scholars:

1. Ms. Madhuri. M. Mahale has won the "**Prof. U.S.Nair Young Statistician Award**" given by Indian Society for Probability and Statistics (ISPS) for the year 2005. This award has been awarded to Ms. Mahale based on her research paper presented in the Annual Conference of ISPS held at Bangalore during December 27-30, 2005.
2. Ms. Kirtee S. Kotwal, has won the "**Best Doctoral Thesis Award**"(Based on Thesis work presentation) given by ISPS in its annual conference held at Tirupati during January 07-09, 2007.
3. Ms. Ruhi S. Kulkarni was shortlisted for the "**Prof. U.S.Nair Young Statistician Award**" given by Indian Society for Probability and Statistics (ISPS) for the year 2012. She got selected for Indian Statistical Services in 2014.
4. Mr. Rajendra N. Chavhan has cleared three papers under core technical stage of Institute of Actuaries of India. His research area is related to Actuarial Science.

### Ph.D. Students (working):

Sr. No.	Name of the Student	Year of reg.	Topic/Title of Ph.D. Thesis
1	Mr. Rajendra N. Chavhan (DST-SRF) & NET	2011	Some Contribution to Actuarial Statistics: Using Computational Approach (Thesis Submitted)
2	Mr. Y. P. Patil, Associate Professor at College, Jalgaon	2011	A Statistical study of Body Mass Index and other related Health and socio economic Parameters (Thesis Submitted)
3	Ms. Ruhi S. Kulkarni (DST-JRF/SRF during 2012-2014) & SET (Presently Assist Director, IIS)	2012	Women's Health Status in India and its relation with socioeconomic factors: Statistical Analysis based on Nationwide Health Surveys.
4	Mr. Manoj C. Patil SET, NET-JRF, Assistant Professor, NMU, Jalgaon	2012	Development of a MATLAB Package for Distributions of Statistics based on Runs, Scans and Patterns in Some Stochastic Processes.
5	Mr. Jagdish C. Agrawal, Assistant Professor, Pratap College, Amalner	2012	Applications of Bivariate Poisson Distribution and Its Variants

## List of Research Papers Publications

"MATLAB programs for probability distributions of runs in DNA sequences" in conference proceeding of XI Biennial Conference of the **International** Biometric Society (Indian Region) on computational statistics and Biosciences held at Pondicherry University, Pondicherry, during March 8-9, 2012, p.56-65.

## Book Published

**Shinde S.D. and Shinde R. L. (2011)** Anemia in Pregnancy: Causes and preventive measures of anemia in pregnancy, **LAP LAMBERT Academic Publishing, Germany**, ISBN:978-3-8454-1077-7. (Based on Project work).

## National/International Conferences/Seminar/Workshops

### Papers Presentations/Invited Talks

(\*:Denotes the name of the presenter in case of more than one authors)

1. **Shinde R. L.** (1998). "Estimation of parameters and the mean life of a mixed failure time distribution", *18<sup>th</sup> Annual Conference of ISPS and National Seminar on Probability and Analysis held at Sambalpur during January 27-30, 1998.*
2. **Shinde R.L.** (1998). "Quality Assurance in Higher Education" (talk), *Conference on "Statistical Quality Control and ISO-9000" held at M.J. College, Jalgaon during December 19-20, 1998.*
3. **Shinde R.L.\* and Shanubhogue A.** (1998). "A Characterization of Negative Binomial Distribution by a Random Sum of Markov Dependent Binomial Variables". *International Conference on "Combinatorics, Statistics, Pattern Recognition and Related Areas" held at Mysore during December 28-30, 1998.*
4. **Shinde R. L.** (1999) "Bivariate Geometric Sums". *19<sup>th</sup> Conference of Indian Society for Probability and Statistics and National Seminar on Stochastic Modeling and its Applications held at Vishakhapatnam during December 24-26, 1999.*
5. **Shinde R.L.\* and Shanubhogue A.** (1999). "Instantaneous failures of components in Freund Bivariate exponential Model for two components parallel system". *National Conference on "Reliability Analysis" held at Cochin during December 28-29, 1999.*
6. **Shinde R.L.\*and Shanubhogue A.** (2000). "Instantaneous failures of components in Proschan-Sullo Bivariate Exponential Model for two components parallel system". *National Conference on "Developments in Statistical Sciences & Statistical Computing" held at S.P.University Vallabh Vidyanagar during February 18-19, 2000.*
7. **Shinde R.L.\* and Shanubhogue A.** (2001). "Maximum Likelihood Estimation of Parameters of Freund Bivariate Exponential Model under Modified Sampling Schemes". *20<sup>th</sup> Annual Conference of ISPS and National Seminar on Industries Oriented Statistical Research held at Raipur during February 19-21, 2001.*
8. **Shinde R.L.\* and Kotwal K.S.** (2001). "On Markov Binomial and Trinomial Distributions and some Related Waiting Time Distributions", *International conference on Statistical Inference and Reliability held at Chandigarh during December 21-24, 2001.*
9. **Shinde R. L. and Mahale M. M.\*** (2002). "Estimation of Parameters and Reliability of Consecutive-k-out-of-n:F-System". *22<sup>nd</sup> Annual Conference of ISPS and National Seminar on Advances in Statistics held at Pune during August 11-14, 2002.*

10. **Shinde R. L.\* and Khadse K. G.** (2003). "Multivariate Process Capability Indices: A Review and Comparison". *International conference on "Statistics in Industry and Business" held at Cochin during January 2-4, 2003.*
11. **Mahale M.M.\* and Shinde R.L.**(2003) "On Estimation of Parameter of Consecutive-k-out-of-n:F-System". *Golden Jubilee conference on Recent Developments in Statistics and Probability held at Pune during December 22-24, 2003.*
12. **Shinde R. L.\* and Kotwal K.S.** (2003) "Markov Binomial and Negative Binomial Distributions of order  $k$  by the  $l$ -overlapping Enumeration Scheme" *Golden Jubilee conference on Recent Developments in Statistics and Probability held at Pune during December 22-24, 2003.*
13. **Kotwal K.S.\* and Shinde R.L.**(2003). "Sooner and Later Waiting Time Problems in a Sequence of Markov Dependent Trials" *Golden Jubilee conference on Recent Developments in Statistics and Probability held at Pune during December 22-24, 2003.*
14. **Shinde R. L. and Kotwal K.S.\*** (2003). "Distributions of Success Runs in  $n$  Markov Bernoulli Trials". *5<sup>th</sup> International Triennial on 'Probability and Statistics' held at Kolkota during December 28-31, 2003.*
15. **Shinde R. L. and Khadse K.G.\***(2004) "A Review and Comparison of Some Multivariate Process Capability Indices based on Fraction Conforming Interpretation" *National Seminar on 'Recent Developments in Data Collection and Analysis held at S.P.University Vallabh Vidyanagar during January 29-31, 2004.*
16. **Shinde R.L. and Mahale M. M.\***(2004) "Estimation in Consecutive-k-out-of-n:F-System". *International conference held at Kandy, Sri Lanka during December 28-30 2004.*
17. **Shinde R.L. and Khadse K.G.\***(2005) "On Multivariate Process Capability Indices Using Principal Component Analysis" *International conference held at Tirupati during January 3-4,2005.*
18. **Shinde, R. L.\* and Kotwal, K. S.**(2005) "Distributions of scan statistics in a sequence of Markov Bernoulli trials" *International conference held at Tirupati during January 3-4,2005.*
19. **Kotwal K.S.\* and Shinde R.L.**(2005) "Joint distributions of runs in a sequence of Markov dependent bivariate trials" *National Conference on Statistics, Computer and Applications held at Amaravati during November 28-30, 2005.*
20. **Shinde, R. L.\* and Kotwal, K. S.**(2005): **Invited talk** on "Joint distributions of runs and patterns in the sequence of Markov dependent multi-state trials and their applications in reliability of multi-state consecutive-k-out-of-n systems" in the *International Conference on Reliability and Survival Analysis held at Indian Statistical Institute, Delhi during December 20-22, 2005.*

21. **Shinde, R. L.\* and Kotwal, K. S.(2006):** "Distributions of patterns in a sequence of Markov dependent bivariate trials" *National conference on "Statistical Inference" held at University of Pune during January 8-10, 2006.*
22. **Khadse K.G. and Shinde R.L.\*(2006):** Multivariate Process Capability using Relative Importance of Quality Characteristics. *International Conference on "Multivariate Statistical Methods" held at Indian Statistical Institute, Kolkata, during December 28-29, 2006.*
23. **Shinde R. L.\* and Khadse K.G.(2007)** "Multivariate Process Capability Using Principal Component Analysis" in the National conference on "Biostatistics and Industrial Statistics" held at University of Pune during August 4-6, 2007.
24. **Sonar Y.R.\* and Shinde R.L.(2008)** "Pharmacokinetic(PK) Parameters in Bioequivalence Studies of Clinical Drugs" in the National Conference on "Recent Statistical Techniques in Bio-Statistics, Management Sciences and Related Areas held at M. S. University of Baroda during February 14-16, 2008.
25. **Khadse K.G. and Shinde R.L.\*(2008)** **Invited talk** on "Probability based Process Capability Indices" and **chaired one session** in the National conference on "Statistical Inference and Inferential aspects in Industrial Statistics" held at University of Pune during December 16-18, 2008.
26. **Kamalja K.K.\* and Shinde R.L.(2008).** "On the reliability of  $(n,f,k)$  and  $\langle n,f,k \rangle$  systems" in the National conference on "Statistical Inference and Inferential aspects in Industrial Statistics" held at University of Pune during December 16-18, 2008.
27. **Shinde R.L.(2009)** **Invited talk** on "ISO 9001 Certification" and **chaired one session** in the National level Seminar on "Recent Developments in SQC" held at K.B.P. College, Pandharpur during October 5-6, 2009.
28. **J. C. Agrawal\* and R. L. Shinde.(2010).** "Estimation of Parameters of Bivariate Poisson Distribution and related Simulation Results" in the National Conference on "Industrial Statistics and Computational Mathematics" held during January 21-23, 2010 at N.M. University, Jalgaon.
29. **Khadse K.G.\* and Shinde R.L.(2010).** "Multivariate Process Capability Indices for Multivariate Non-Normal Processes" in the National Conference on "Industrial Statistics and Computational Mathematics" held during January 21-23, 2010 at N.M. University, Jalgaon.
30. **R. L. Shinde and Amol Y. Surve\* .(2010)** "Life insurance under varying rate of interest at random time points" in the National Conference on "Industrial Statistics and Computational Mathematics" held during January 21-23, 2010 at N.M. University, Jalgaon.

31. **R. L. Shinde and Yatin R. Sonar\*(2010):** "On Bioequivalence Index for Clinical Drugs" in the National Conference on "Industrial Statistics and Computational Mathematics" held during January 21-23, 2010 at N.M. University, Jalgaon.
32. **R. L. Shinde (2010):** **Invited talk** on "Bioequivalence Index for Assessing Bio-availability under 2x2 Cross over Design" and **chaired one session** in the *National Workshop on "Medical and Pharmaceutical Statistics" held at Sardar Patel University, V. V. Nagar, Anand during February 25-28, 2010.*
33. **R. L. Shinde (2011):** Talk on "Managing Interviews Your Way" *National Workshop on "Official Statistics" held at N.M. University, Jalgaon during January 17-19, 2011.*
34. **A. Y. Surve\* and R. L. Shinde (2011):** "Probability Distributions of Meteorological Parameters and their Applications in crop insurance" in 65<sup>th</sup> Annual Conference of the Indian Society of Agricultural Statistics to be held at National Dairy Research Institute, Kamal-132001 (Haryana) during December 03-05,2011.
35. **R. N. Chavhan\* and R. L. Shinde(2011):** "Estimation of Net Single Premium For Different Life Insurance Products And Their Periodical Comparison For Some Developed Countries." in the *international conference on "Applied Mathematics and Statistics" held at Department of Statistics and Mathematics, Gujarat University, Ahmedabad during December 16-18, 2011.*
36. **R. S. Kulkarni\* and R. L. Shinde(2011):** "Role of Least Count of a Gage in Statistical Process Control". in *the international conference on "Applied Mathematics and Statistics" held at Department of Statistics and Mathematics, Gujarat University, Ahmedabad during December 16-18, 2011.*
37. **Y. P. Patil\* and R. L. Shinde(2012):** "Distribution of Body Mass Index (BMI) of Indian Adult Population based on National Family Health Surveys", in the National conference on "Mathematical Sciences" held at NMU, Jalgaon on March 5, 2012.
38. **R. L. Shinde and A.Y. Surve\*(2012):** "Study of Climate Change and Feasibility of Weather based crop Insurance Scheme for Banana in Jalgaon District", in the National Conference on Environmental Surveillance for Natural Resource Management (ESNRM-2012) held at NMU, Jalgaon during January 9-10, 2012.
39. **R. L. Shinde (2012) Invited talk** on "Actuarial Science and Related Research Areas" and a specific presentation on "Life Tables and Cost of Insurance in India and China: A Comparative Study" and **chaired one session** in the National Seminar on 'New Dimensions in Statistics: Concepts and issues" held at Banaras Hindu University, Varanasi during March 2-4, 2012.
40. **R. L. Shinde(2012):** **Invited talk** on" Data and Data Analysis reporting in a Thesis" *workshop on "Project, Thesis and Paper Writing in Chemistry" held at School of Chemical Sciences, NMU, Jalgaon on March 9, 2012.*

41. **Y. P. Patil\* and R. L. Shinde(2012):** “Changes in the Distribution of Body Mass Index of Indian Women based on National Family Health Survey II and III” in the 21<sup>st</sup> **International** Conference of Forum for Interdisciplinary Mathematics on Interdisciplinary Mathematics, Statistics and Computational Techniques (IMSCT 2012 - FIM XXI) held at *held at Punjab University Chandigarh during December 15-17, 2012.*
42. **R. L. Shinde (2012): Invited talk** on “Actuarial Science and its Applications in Crop Insurance” in the 21<sup>st</sup> **International** Conference of Forum for Interdisciplinary Mathematics on Interdisciplinary Mathematics, Statistics and Computational Techniques (IMSCT 2012 - FIM XXI) held at *held at Punjab University Chandigarh during December 15-17, 2012.*
43. **M.C. Patil\* and R. L. Shinde(2013):** “Development of MATLAB GUI for Empirical Probability Distributions of some Scan Statistics” in the **International** Conference on ‘Statistics, Science, and Society: New Challenges and Opportunities’ held at Chennai during January 2-5, 2013.
44. **R. L. Shinde (2013): Invited talk** on “Sampling and Statistical Methods for Research in Library and Information Science” in the Workshop for Librarians held at Central Library, NMU during Feb. 4-9, 2013.
45. **R. N. Chavhan\* and R. L. Shinde(2013):** “Mortality Modeling and its Forecasting for Indian Population during 1901-2011” in the National Conference on "Recent Advances in Statistics with Application in Finance and Actuarial Science" held at Central University of Rajasthan during Feb 22-23., 2013.
46. **R. L. Shinde (2013): Invited talk** on “Weather Based Crop Insurance Scheme: Case studies for Banana and Grapes” in the National Conference on "Recent Advances in Statistics with Application in Finance and Actuarial Science" held at Central University of Rajasthan during Feb 22-23., 2013.
47. **R. L. Shinde(2013):** Talk on "Financial Mathematics and Its Applications in Actuarial Science" in the National conference on “National Conference on “Current Practices in Mathematics, Statistics and Actuarial Science” held at NMU, Jalgaon during March 7-8, 2013.
48. **Y. P. Patil\* and R. L. Shinde(2013):** “Undernutrition among Indian Men: A state-wise study based on National Family Health Survey-3” in the National conference on “National Conference on “Current Practices in Mathematics, Statistics and Actuarial Science” held at NMU, Jalgaon during March 7-8, 2013.
49. **R. L. Shinde (2013): Invited talk** on “**Weather Based Crop Insurance**” in the State level Conference on “Applications of Statistics In Various Domains of Science” held at S. P. College, Pune during October 25-26, 2013.
50. **R. N. Chavhan and R. L. Shinde\*(2013): Invited talk** on “Human Mortality Pattern in India and China and Total Cost of Life Insurance for Whole Population and Subpopulations” and **chaired one session** in the **International Conference** on “Role of

Statistics in the Advancement of Science and Technology” organized by Department of Statistics and Centre for Advanced Studies, University of Pune, Pune during December 16-18, 2013.

51. **R. S. Kulkarni and R. L. Shinde\*(2013):Invited talk** on “Nationwide Health Surveys in India: An Overview and a specific presentation on Diabetics are at Higher Risk of Asthma in India: Evidence from National Family Health Survey-3” and **chaired two sessions** in the **International Conference** on ‘Recent advances in Statistics and their applications’ in conjunction with XXXIII Annual Convention of Indian Society for Probability and Statistics(ISPS) organized by Department of Statistics, Dr. BAMU, Aurangabad during 26-28 December 2013.
52. **R. S. Kulkarni\*and R. L. Shinde(2013):** Depression and its Associated Factors in Older Indians" in the **International Conference** on ‘Recent advances in Statistics and their applications’ in conjunction with XXXIII Annual Convention of Indian Society for Probability and Statistics(ISPS) organized by Department of Statistics, Dr. BAMU, Aurangabad during 26-28 December 2013.
53. **Y. P. Patil\* and R. L. Shinde(2013):** "Prevalence and risk factors of undernutrition among Indian teen aged 15-19 years based on NFHS-3" in the **International Conference** on ‘Recent advances in Statistics and their applications’ in conjunction with XXXIII Annual Convention of Indian Society for Probability and Statistics(ISPS) organized by Department of Statistics, Dr. BAMU, Aurangabad during 26-28 December 2013.
54. **R. N. Chavhan \* and R. L. Shinde(2014):** “Life Annuity based on Varying Life Tables” in the National Conference on "Recent Advances in Statistics with Application in Finance, Actuarial Science and other areas" held at Central University of Rajasthan during Feb 14-15, 2014.
55. **R. L. Shinde(2014): Invited talk** on “Choice Based Credit System” in the **National Conference** on “New Trends in Examination System” organized by Department of Education, North Maharashtra University, Jalgaon on March 04, 2014.
56. **R. N. Chavhan and R. L. Shinde\*(2014): Invited talk** on “Stochastic Mortality Modeling and Forecasting for Indian Population with Applications in Actuarial Science” and **chaired one session** in the **International Conference** on "Mathematical Modeling 2014" held at the Research and Development Center for Mathematical Modeling, Department of Mathematics, **University of Colombo**, Sri Lanka during March 13-14, 2014.
57. **R. N. Chavhan and R. L. Shinde\*(2015): Invited talk** on “Stochastic Mortality Models” and **chaired one session** in the national conference on “Recent Advances in Statistics” held at Savitribai Phule Pune University during January 2-3, 2015.
58. **R. N. Chavhan and R. L. Shinde\*(2015): Invited talk on** "Weather Based Crop Insurance Schemes for Banana, Grapes and Orange in the Maharashtra state of India" and **chaired one session** in the 102nd Session of the **Indian Science Congress** held at University of Mumbai during January 3-7, 2015.

59. **R. N. Chavhan and R. L. Shinde\*(2015): Invited talk on "Stochastic Mortality Modeling and Forecasting for Indian Population with Applications in Actuarial Science" and chaired one session in the International Conference, "International Conference on Frontiers in Mathematics" held at Gauhati University, Guwahati, Assam during March 26-28, 2015.**
60. **R. N. Chavhan and R. L. Shinde\*(2015): Invited talk on "Banana Crop Insurance" in the International Statistical Institute's Outreach Committee Organized Three Day International Workshop on "Statistics and Society" held at Sardar Patel University, Anand, Gujarat during April 4-6, 2015.**
61. **R. L. Shinde(2015): Invited talk invited talk on "Statistical Data Analysis Through MINITAB and Reporting" in seven days National Workshop on "Faculty Improvement for Research in Science and Technology-2015 (FIRST-2015)" held at North Maharashtra University, Jalgaon during June 18-24, 2015.**
62. **R. L. Shinde(2015): Special talk on "Quality Parameters/Aspect-wise Preparation of Presentation before NAAC Peer Team" in the NAAC Awareness Workshop under National Quality Renaissance Initiative (NQRI) organized by IQAC, North Maharashtra University, Jalgaon during March 23-24, 2015.**
63. **R. L. Shinde(2016): Keynote address on "Research Methods and Sampling" in the National Workshop on Research Methods and Applications of SPSS software in Research held at Shendurni on January 21, 2016.**
64. **R. L. Shinde(2016): Popular talk on "Statistics in Computer Science" on the occasion of celebration of National Mathematics and Science Day at School of Computer Sciences, NMU on March 2, 2016.**
65. **R. N. Chavhan and R. L. Shinde\*(2016): Invited talk on "Social Security Life Insurance Scheme Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY): Actuarial insight based on Indian Mortality" in the National Conference on Applied Statistics held at Shivaji University, Kolhapur during March 11-12, 2016. Also chaired one session of invited speakers in this conference.**
66. **R. L. Shinde(2016): Keynote address on "Role of Statistics in Current Scenario" in the National Seminar held at Veer Narmad South Gujarat University, Surat on March 27, 2016. Also chaired one session of contributory papers in this National Seminar.**
67. **R. L. Shinde(2016):Invited talk on "Sampling Methods" in the Workshop on Statistical Techniques for researchers held at M. J. College on April 26, 2016.**

### **My Aims/Objectives**

- To become good teacher and researcher in Statistics and Actuarial Science and produce good Statisticians/Experts as well as good citizens for the country.
- To convince organizations about the use of Statistical Methods and for appointments of Statisticians to monitor/improve quality of their product or to improve their services.
- To contribute for developing better educational environment/system.

**(Ramkrishna Lahu Shinde)**
