

REPORT ON
INTERNATIONAL/NATIONAL CONFERENCE/SEMINAR/ WORKSHOPS/SHORT TERM
COURSES /VISITED INDUSTRY
(Delete which is not applicable)
UNDER INTERNATIONAL TRAVEL SUPPORT SCHEME

1	Permission letter No. and date	Minutes of TEQIP-II BOG Meeting dated 26/06/2013 Item no. F-I (a)	
2	Title of the conference/seminar/ workshop	Emerging Trends in Oleochemicals & Eco-friendly Coating Technologies	
3	Date of the Event	28 th September 2013	
4	Department	Department of Paint Technology & Department of Oils Technology	
5	Name of the Co-ordinator/s	Prof. Dr. R. D. kulkarni Prof. Dr. G. A. Usmani	
	Name of the Convenor/s	Prof. P. D. Meshram	
	Name of the Organizing Secretary/ Treasurer	Prof. N. P. Badgujar / Mr. H. V. Patil	
6	Number of Participants	Faculty	Students
	a. From Our Institute/University	02	152
	b. Other University	01	24
	c. Industry persons	Nil	
	Total (a + b + c)	179	
7	Name of the Speaker/ Experts with Institute address.	Topic of the lecture	
	1. Prof. Dr. B. B. Gogte, SACE, Wardha	Liquid Detergent Based on Malenized Oils	
	2. Dr. Randhir Paramar, Asian Paints, Mumbai	Green and Sustainability: Technology/Trends towards Ecofriendly Coatings	
	3. Prof. Dr. S.S. Bhagwat, ICT, Mumbai	Interfacial Science & Engineering: Basics & Engineering	
	4. Dr. Amit Pratap, ICT, Mumbai	Vegetable Oil Based Functional Fluids	
	5. Prof. Dr. Bhuvanesh Gupta, IIT, Delhi	Bioactive Coatings on Polymers	
8	List of few University/Institute from which students/Faculty participated	LIT, Nagpur; UDCT, Amravati; UICT,NMU, Jalgaon; COET, Akola; Govt. Polytechnique, Arvi (Wardha)	
9	List of Industries participated in the event	Nil	
10	Financial Evaluation	Amount in INR	
	Registration fees (per participant)		
	Students	Rs.500/-	
	Academicians	Rs.1000/-	
	Participants from Industry	Rs. 2000/-	
	a. Sponsorship received from TEQIP-II	Rs. 3,00,000/-	
	b. Other than TEQIP-II	Rs.-----	
	c. Registration fees Received	Rs.90,500/-	
	Total (a + b + c)	Rs.3,90,500/-	
	Total Expenditure	Rs.2,38,230/-	
Internal Revenue Generated	Rs.90,500/-		
11	Academic Highlights including new Development presented at the Conference	<p>The conference was organized to have deliberations/interactions relating to the emerging trends in oleochemical and coating industries. The use of agricultural based renewable sources for oleochemical synthesis was of prominent importance to the conference.</p> <p>The different topics covering green & sustainability as a core theme was presented by invited speakers.</p> <p>The modification of vegetable oils to meet the functional products demand was put forward as potential substitutes due to their renewability, versatility and biodegradability.</p> <p>Overall 179 delegates attended the conference and 46 poster presentations were evaluated by technical judges. The first two best posters from UG and PG category were awarded with winning trophy to inculcate the research culture among the young students.</p>	
12	Submit the Proceeding/ Abstract book	Abstract Book in the form of CD
