RESEARCH EXPERIENCE

Masters Research U. I.C.T ,N.M.U. Jalgaon

Synthesis and characterization of core/shell nanocatalysis and study its photocatalytic activity on methylene blue dye, Dr. Navin G.Shimpi. U.I.C.T, N.M.U, Jalgaon.

Bachelor's degree research, U. I. C. T. N. M. U. Jalgaon

Preparation and formulation of tomato ketchup by using low methoxyl pectin. Dr. Usamani U.I.C.T, N,M,U. Jalgaon.

PEAPER PERSENTATIONS

1. "Radio Frequency Identification for food packaging", at UICT Jalgaon. In National Level conference RNIFO-2010 in August 2010.
 2. "Use of Controlled Atmosphere For minimal Processed Green Onions", at MGM College of engineering, Nanded. In March 2005
 3. "Post harvest handling of Fruits and Vegetables". At MGM College of engineering, Nanded. In March 2005.
-

Conference

Attended International conference organized By "ASFT 19th Indian convention of food scientist & technologist on health food", At IIT Khargpur.

Workshops

1. One week Workshop on Environment management & carbon Trading. Organized by MSBTE, At K.K. Wagh Polytechnic, Nashik.
 2. Three day workshop on Enterpertenar Deployment. Organized by K. K. Wagh Women's polytechnic Nashik
 3. Attended 'carrier development forum in the new millennium' organized by UDCT past student Association (UPSA).
 4. Attended 'personality development a need 'Organized by UDCT, NMU, Jalgaon.
-

Computer Proficiency

1. Windows2000,MSWord, Excel, PowerPoint, MS Office.(CCC)
 2. "C" language.
 3. Internet surfing.
-

Languages

English, Marathi, Hindi,
