Contact:- 0257-2257451

Vision of Alumni Scholarship Program "RISE" is to support the next generation of outstanding, best and brightest students based on their academic performance, campus involvement and financial background.

This scholarship program is designed to provide monetary assistance to students pursuing a Post Graduate degree as offered within the School of Computer Sciences (SOCS) of KBCNMU, Jalgaon.

Purpose
- Offer an assistance to ease out the hurdles for students
- Contribute to SOCS and our community

For Eligible Beneficiaries RISE Scholarship Covers
- Course/Tuition fees
- Examination fees
- Hostel and Mess fees and
- Other legitimate expenses.

RISE

Donors Introduction.

We alumni of School of Computer Science, KBCNMU with common thought process of giving back to the communities and making some social impact have formed the scholarship program "RISE". In our view there is no better way to bring impact than enabling brighter, smarter and needy for higher education. The RISE will provide the financial support to students selected by selection committee of School of Computer Sciences, KBCNMU, Jalgaon.
