About Central Training & Placement Cell.

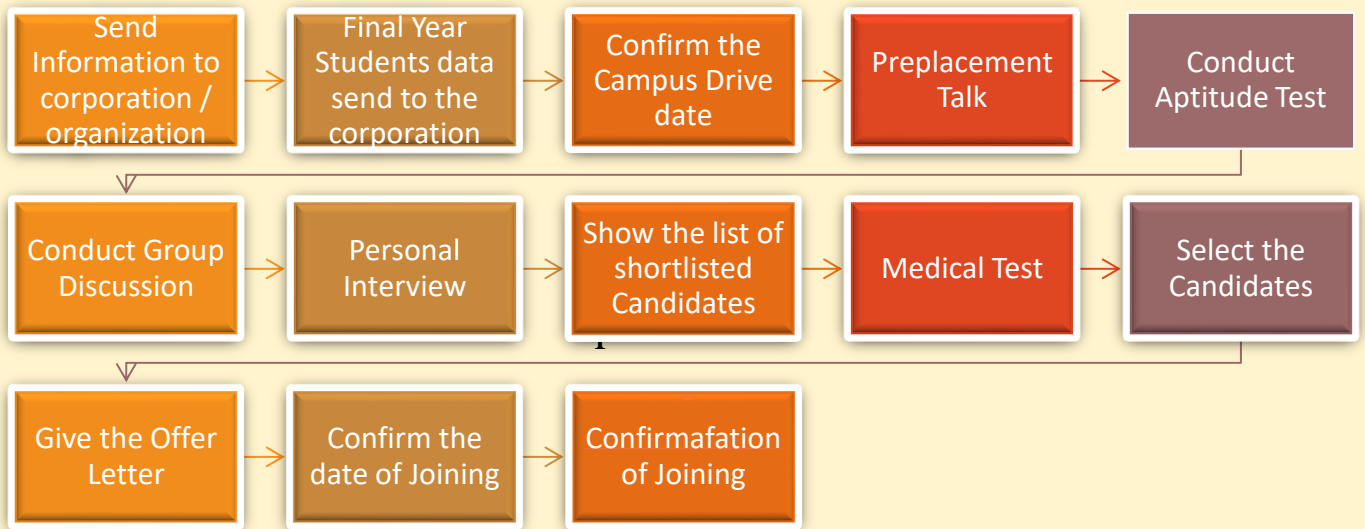

The University is committed not only to impart relevant quality hire education and produce conscious research, technologies, professionals and citizens, but also to guide and shape the career of the students. The University has established a Central Training & Placement Cell (CTPC) in the year 2013. It plays a vital role in Career Planning, Career Path identification, Goal Setting, Grooming, Mapping, Counselling, Training and holistic development of the students. CTPC is monitored by the **Training & Placement Officer Ms. Sonali Dayma** under the guidance of **coordinator Prof. Ramesh Sardar and Dy. Coordinator Dr. Ujwal Patil.**

The CTPC caters to the Placement needs of the students on the Campus as well as affiliated Colleges. It acts as an interface between the students and the recruiting industries/organizations. In addition to subject knowledge and technical skills, It is imperative to groom our students for employability and future careers.

Objectives

- 
- To assist students to identify their academics and career interests, their short and long term goals through individual and group session.
 - To assist the students for placement in reputed industries/organization through on and off campus placement programme.
 - To organize special lectures and workshops relating to soft skills, personality development and group discussion to promote leadership styles.
 - To conduct technical aptitude and general knowledge test, resume writing and referral, professional portfolio development, mock interviews/interview Techniques, special training for socially backward and tribal students etc.
