

School of Mathematical Sciences Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon

Admissions Open for AY 2026-27

B.Sc. (Honours) Mathematical Sciences

Major Subject	Mathematics	Statistics	Actuarial Science
Minor Subjects	Computer Science	Data Science	Economics
	Data Science	Economics	—

Program Highlights

- Multidisciplinary curriculum integrating Mathematics, Statistics, Computer Science, Finance, Insurance, and Accounting.
- Strong foundation in mathematical theory, probability, statistical inference, & quantitative finance.
- Proficiency in data analysis, algorithm design, and

computational modeling using R, Python, SQL, and modern statistical software.

- Application of theoretical knowledge to real-world scenarios through case studies, hands-on projects, and industry internships.
- Syllabus aligned with the Institute of Actuaries of India (IAI), Mumbai—ideal for students pursuing a career as actuaries.
- Wide range of electives including Computer/Data Science, Actuarial/Financial Risk Modelling, Machine Learning, and Applied Econometrics.
- Emphasis on analytical thinking, critical reasoning, and data-driven decision-making skills.
- Enhanced career readiness in diverse sectors such as data science, actuarial science, software analytics, financial modeling and market research.

Features

- Smart classrooms with ICT tools, Wi-Fi, and digital teaching aids, Central and departmental libraries with rich academic resources.
- Cozy Hostel, Indoor/Outdoor gym, sports, and health center facilities.
- Project-Based Learning Opportunities, Career and psychological counseling with placement support. Scholarships: National/ State/ University
- Active alumni network in analytics, fintech, insurance, and research.
